in this scholarly treatment of a lesser known denomination j matthew pinson offers a comprehensive history of the free will baptist movement a distinct theological tradition within the larger baptist family traversing four centuries of history in his analysis pinson divides his study into five parts arranged in chronological and geographical order he

traces the beginnings of the free will baptists in the carolinas from the late 1600s the denomination s early expansion across the southeast the rise and decline of the northern freewill baptists and the identity and development of the free will baptist movement into the twentieth and twenty first centuries the scarcity of archival evidence for the history of free will baptists in the american south makes the chronicling of their history challenging to illustrate the development of ideas within the tradition over time pinson creatively engages a unique combination of primary source materials including general conference and local church minutes confessional documents and worship materials such as hymnals a scholarly history as accessible as it is comprehensive the free will baptists a new history is a valuable resource for students of religious history as well as baptist historians

baptists in the nineteenth century grew from a small struggling denomination to the second largest protestant denomination in america they constructed conventions schools churches and benevolent works american baptists transformed from cultural outsiders to insiders despite this growth in size organization and influence there is surprisingly few attempts to understand them historically this is even more true for northern baptists as opposed to their southern counterparts despite the fact that northern baptists in many respects were the theological leaders of the denomination this raises questions about what their theology was what it was rooted in and how well it could handle the surplus of challenges that nineteenth century religion threw at it chief among these were the challenges toward biblical and theological authority perhaps the brightest star of the northern baptist constellation and doubtless the most well connected was alvah hovey from newton theological institute in newton centre massachusetts this book the first book length treatment of this baptist giant since hovey s son published a biography in 1929 chronicles hovey s life and career focusing on how he coped with the challenges of biblical criticism and a rapidly changing theological context hovey produced a theology he understood as thoughtful christianity
