life saving letters from a glittering wishlist of top authors if you received a letter from your older self what do you think it would say what do you wish it would say that the boy you were crushing on in history turns out to be gay too and that you become boyfriends in college that the bully who is making your life miserable will one day become so insignificant that you won't remember his name until he shows up at your book signing in this anthology sixty three award winning authors such as Michael Cunningham Amy Bloom Jacqueline Woodson Gregory Maguire David Levithan and Armistead Maupin make imaginative journeys into their pasts telling their younger selves what they would have liked to know then about their lives as lesbian gay bisexual or transgendered people through stories in pictures with bracing honesty these are words of love and understanding reasons to hold on for the better future ahead they will tell you things about your favorite authors that you never knew before and they will tell you about yourself

what is solution focused therapy solution focused therapy sft is a unique goal directed therapy aimed at helping clients regain autonomy by determining and achieving their own goals solution focused therapists encourage clients to focus on solutions not problems and help clients effectively plan how to

reach their goals unlike other therapies sft holds an abiding belief in clients abilities to know what is best for them rather than have a therapist tell them why this book this book not only provides an overview of the solution focused therapy model its basic tenets and theories it also presents intimate interviews with expert practitioners all of whom use sft in their own practice to this end the book offers a wealth of insight into the theory and practice of sft to help practitioners decide whether sft is right for them and their clients these experts offer details of their apprehensions goals breakthroughs and overall experiences with the therapy the team of expert contributors includes eve lipchik yvonne dolan alasdair macdonald thorana nelson and many more questions the experts address include how did you discover that sft was the model that fit your clients needs what characteristics of this model drew you towards it how has sft impacted your personal life what is it about sft that makes it so effective what are your favorite cases and how did they affect your work as a therapist

a collection by chilliwack writers group fraser valley british columbia of original short stories personal and general prose for the majority of the dozen or so authors this is the first publication of their work

ancient ethical theories based on the notions of virtue and happiness have struck many as an attractive alternative to modern theories but we cannot find out whether this is true until we understand ancient ethics and to do this we need to examine the basic structure of ancient ethical theory not just the details of one or two theories in this book annas brings together the results of a wide ranging study of ancient ethical philosophy and presents it in a way that is easily accessible to anyone with an interest in ancient or modern ethics she examines the fundamental notions of happiness and virtue the role of nature in ethical justification and the relation between concern for self and concern for others her careful examination of the ancient debates and arguments shows that many widespread assumptions about ancient ethics are quite mistaken ancient ethical theories are not egoistic and do not depend for their acceptance on metaphysical theories of a teleological kind most centrally they are recognizably theories of morality and the ancient disputes about the place of virtue in happiness can be seen as akin to modern disputes about the demands of morality

important american periodical dating back to 1850

an authoritative compilation of military history quotes from 2000 bc to the present day a massive compilation casting light not only upon the pain suffering and sheer insanity of war but also upon the unique comradeship and exhilaration of battle this is a valuable addition to the literature of reference the spectator peter tsouras brings 4 000 years of military history to life through the words of more than 800 soldiers commanders military theorists and commentators on war quotes by diverse personalities napoleon machiavelli atatürk che guevara rommel julius caesar wellington xenophon crazy horse wallenstein t e lawrence saladin zhukov eisenhower and many more sit side by side to build a comprehensive picture of war across the ages broken down into more than 480 categories covering courage danger failure leadership luck military intelligence tactics training guerrilla warfare and victory this
